HIGH SCHOOL CURRICULUM - WEEK 3

# Caring Day 4 • Community Connection

RAK Definition: Caring is feeling and showing concern for others.

Today students will conduct their second community connection. Each Thursday of Weeks 2-7 they will brainstorm where in the community the kindness concept of the week is represented. This week they will investigate where in the community they most see elements of caring. **Make sure to save these notes as they are VITAL for the Kindness Capstone Project that is completed during the second half of the semester.** 

# Weekly Objectives

## Students will:

- Create a personalized definition of caring both on an individual and interpersonal level.
- Examine their community through a lens of caring.

## **Resources / Materials**

 WORKSHEET: Community Connection Worksheet

## **Reflect / Assess**

## **Deliverables:**

- Daily Participation points
- Community Connection worksheet
- Write down something you see in the world where caring is being shown and/or where caring needs to be restored. What could you do to help?

# Share

## Discussion Starters:

• Ask students to share (if they did not the day before) how their letters were received. How did they feel (what was their happiness rating) after they shared the letter?

## Inspire

## Review:

- Review all the ways that people can show caring to other people, to the environment, to animals, etc.
- Remember that caring includes helping, showing kindness, showing compassion, and showing gratitude.

## What does a caring organization look like?

• Can anyone think of a large company (national or global) that is a good example of caring?

**If time permits,** review the <u>2019 Companies that Care</u> report from *Great Places to Work*. How do these companies exhibit caring?

# Empower

## Step 1: Mapping out kindness assets {Focus: Caring}

Hand out the Community Connection worksheet (same as last week) and have students spend the rest of class gathering data regarding where **caring is a clear part** of the local community. Use the same community boundaries/definition that you identified last week for Respect.

If students need more time, they should take their worksheet home with them and complete it for the next day. **Encourage students to get out and walk through the community whenever possible to really get a feel for the caring that is present in different areas.** 

# **Community Connection Worksheet**

# Instructions

Think about your community. This includes many things, such as:

- Public parks and community spaces
- Private businesses
- Big box stores
- Schools
- Religious organizations/buildings
- Government organizations/buildings
- Medical facilities/personnel
- People/Officials
- Police, Fire, and Rescue
- Restaurants
- Non-profit organizations
- Recreational facilities

In the space to the right, identify what parts of your community **best** demonstrate **caring** and how. Find three groups, organizations, businesses, etc., that foster a sense of caring for self and for others. Be as specific as possible.

# Resources

- Your community's Chamber of Commerce is a great resource for local business information.
- Try searching on the internet for your town to see what comes up and then research individual businesses or organizations.
- Many businesses have social media accounts; see what you can learn about their connection to caring there.
- Visit these businesses and observe/ask questions.
