

Respect

Hello Parents and Guardians,

Welcome to Unit 1 of our Kindness in the Classroom curriculum. For the next 4-6 weeks we will be learning all about RESPECT. Since this is still a fairly new concept for children this age, we will focus on the following topics:

TOPIC	QUESTIONS WE WILL EXPLORE	HOW YOU CAN HELP AT HOME
Self-Respect	<ul style="list-style-type: none">• How can we show ourselves respect?• How do we treat ourselves with kindness?	Talk with your child about the importance of respecting yourself in everything you think, say, and do! Respect starts with YOU.
Respect for Others	<ul style="list-style-type: none">• How do we treat our classmates, our family, our friends?• How do our words and actions affect others?	Help your child look at how they use kind words and actions to show respect for others in their immediate world.
Respect for Our School	<ul style="list-style-type: none">• How do we care for our classroom and the things in it?• How do we show respect for our school?	Talk with your child about the importance of respecting school property, including school supplies, technology (like computers/tablets), and playground toys.

Key activities we'll be doing:

- Identify examples of self-respect for your mind, body, and heart!
- Develop a set of personal self-respect rules!
- Work together to show respect for our community!
- Fill our classmates up with kindness!

TRY THIS AT HOME!

Ask your student about how to fill up someone's bucket. If you are interested, use this link to read the book together and go over ways to fill up each other's buckets! "Have you Filled a Bucket Today?" by Carol McCloud
