Courage

Our Young Kindness in the Classroom lessons teach kindness skills through a combination of literacy, math and science, citizenship, and music/movement activities that allow our youngest students a chance to explore difficult abstract concepts through a variety of concrete opportunities.

This unit is the final of our six-unit series, which lasts six months. If your school operates year-round, this cycle can be used during the second half of the year for your older 4-6 year old class. The focus at this young age is exposure to the connection between courage and kindness. Students will also focus on having the courage to lift themselves up using positive affirmations. Every cycle also ends in unison in the final lesson by completing a fun Random Act of Kindness.

Courageous Camilla Script- WEEK 1

Meet Camilla. She is a 4-year-old pig that is part of our RAK family! Camilla always shows courage with her kind words and actions. Camilla will follow us this entire month. Whenever we see CAMILLA (Show pig), we think about COURAGE. Camilla is courageous. Courageous Camilla loves to try new things, overcome her fears, and help others feel brave and courageous too! Sometimes Camilla feels scared when she starts something new, but that doesn’t stop her from trying! Camilla loves to sing, but she has never sung in front of friends. She worries that maybe they will laugh at her or say she is a bad singer. She talks to her father about her fear. He tells her to close her eyes and sing for him. He has heard her sing before and reminds her that her voice is a true gift to others. She closes her eyes and sings beautifully. “Now do that same thing with your friends!” he tells her. The next day at school, she walks up to her friends. “I have a special song for you”, she tells them. She closes her eyes, takes a deep breath, and sings her song. At first, her voice is really quiet, but then she remembers how much she loves singing and she relaxes, singing loudly and proudly. “Wow, your voice is amazing!” her friend shouts. Camilla feels so happy now! Camilla uses COURAGE to overcome her fears. What can you do when you feel too scared to do something? Who can you talk to help you feel brave?

Courageous Camilla Script- WEEK 2

Camilla is back! Who remembers COURAGEOUS CAMILLA? Camilla is courageous. Courageous Camilla loves to try new things, overcome her fears, and help others feel brave and courageous too! Camilla is at home tonight and her brother is too scared to sleep in his own bed. “Camilla, I just know there is a big, scary monster under my bed!” he says. Camilla thinks back to when she was scared of monsters. “I know just how you feel,” she says. “But then I put a sign up with a picture saying “Nice Monsters ONLY” right by my bed. From then on I wasn’t scared anymore. We read a book about nice monsters in school and those ones made me laugh!” She tells her brother about the silly monster she made at school and then asks him to come up with one as well. He feels better now and makes a sign for his bed too. Camilla used COURAGE to help her brother overcome his fear of monsters. She was willing to share that she also had that fear as well before she became brave. What is one fear you used to have? How did you use COURAGE to get over it?
Courageous Camilla Script- WEEK 3

Camilla is at school today. Let’s see what COURAGEOUS CAMILLA is doing this time. It is recess and she is playing on the jungle gym. A bigger, older child keeps pushing her off the monkey bars. Camilla is feeling very upset but knows that kindness is always the best and most courageous choice with bullies. Camilla walks over to the bully and says, “You are not being kind when you push me off the monkey bars. Our teacher asks us to be respectful and caring when we play together. If you can be nice, I would be happy to play with you!” The bully stops and thinks about it. She reaches out her hand to Camilla and says, “You are right. I was being mean, I’m sorry. Let’s play monkeys together!” COURAGEOUS CAMILLA stood up to the bully with kindness. What else could she have said? Have you ever used COURAGE to stand up to a bully? What happened?

Courageous Camilla Script- WEEK 4

Camilla is on a walk in her community this week. She learned all about the COURAGE it takes to be KIND. Her teacher told the class about ‘Random Acts of Kindness’ (Or RAKs) where you do kind things for others for no reason. It can be big things or little things. Camilla decides to do some RAKs in her town. She looks around and sees garbage lying all over the farm next door. It blew in from the storm last night. She decides to pick it up and throw it all away even though no one asks her to. Her neighbor comes out and sees the clean pasture. “Wow, one less thing for me to worry about this morning!” she says as he walks over to his horses. Camilla doesn’t say anything but just smiles. Next, she notices that the gate to the chicken coop was accidentally left open. She quickly closes it so no foxes can get in to hurt her chicken friends. “Gee, thanks Camilla!” says the mother hen. “A fox could really hurt my baby chicks.” Camilla again just smiles as she walks down towards the horses. What else could Camilla do for her community? What RAKs can you do where you live to spread kindness to others?
